

**Title:** Revit Design Drafter

**Contact Name:** HR Manager

**Contact Email:** mail@pase.com

**Location of Role:** Pleasanton, CA

### **Position Details:**

Peoples Associates Structural Engineers is in its 28th year of structural engineering design and consulting. Our projects are challenging and diverse, local, national, and global. We are recognized experts in data center design, mixed-use housing, K-12 schools, among other markets, with clients ranging from Facebook to Irvine Apartment Community.

Our design drafters are technically strong and thrive in a team-oriented environment. Are you a match? Contact us to find out.

We are seeking a driven, hardworking, team player, experienced with Revit and AutoCAD, to work from our office in Pleasanton, California. Advance your career with Peoples Associates and learn from an experienced team of 8 design drafters. In our fun and challenging team environment, you will collaborate with engineers and clients to develop Revit models, construction details and drawings.

### **Requirements:**

- 2+ years in Revit
- 2+ years in AutoCAD
- Tekla is a plus
- Structural, Architectural, or Civil detailing experience is preferred.
- Experience with structural engineering design is a plus.

We offer an exciting position with great compensation and opportunity for growth.

**This is a full-time, salaried position, with full company benefits.**

All qualified applicants will receive consideration for employment without regard to race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status, sex, or sexual orientation.
